

MX33/300 3-Cylinder Yanmar Diesel (Hawk Pump) MX40/200 3-Cylinder Yanmar Diesel (Comet Pump)

Features:

- Yanmar 3TNV Diesel Engine 3-Cylinder Water Cooled
- Electric Start + Low oil/Overheat Auto Shutdown
- 35 Litre Long Run aluminium fuel tank
- Industrial Rated Brass Pump Head Pumps
- 2 Versions available 33 LPM @ 300 Bar (4350 PSI) or 40 LPM at 200 Bar (3000 PSI)
- Twin Suction Field
- Heavy Duty Powder Coated Steel Frame
- Fail safe anti-vibration mounts
- 8-Ply pneumatic Wheels
- Braked Castors
- Easy Wash 365 Trigger Gun & Quick Release Lance
- 30M Flexpulse Hose Included
- Recommended applications: Livestock Housing, Plant Machinery, Agricultural Use & Ship Yards

Engine		Pump	
Brand	Yanmar	Brand	Hawk 33LPM 300 Bar – Comet 40 LPM 200 Bar
Engine	3TNV Diesel Engine 3-Cylinder Water Cooled	Model	Hawk XLT2730 – Comet TWS10030
Power	37hp	Flow	Hawk 33 LPM – Comet 40 LPM
Fuel Capacity	35 Litre Long Run Fuel Tank	Pressure	300 Bar Hawk / 4350 psi 200 Bar Comet / 3000 psi
Fuel Type	Diesel	Materials	Ceramic Plungers & Brass Manifold
Starting	Recoil & Electric Start	Speed	Low Engine Revs
Protection	Low oil / Overheat Auto Shutdown	Coupling	Direct Drive via Tyre Coupling
