GENERAL FEATURES

- **Very compact scrubbing machines suitable to work for the maintenance cleaning of limited-size areas (up to 1500 mq.)**
- Especially suitable for cleaning of car showrooms, retail shops, gyms, wellness centres
- Control panel with operator presence safety system
- Low level battery indicator: brush/vacuum and traction progressive cut off
- Solution water filter and solenoid valve (battery models only)
- Easy access to the battery compartment
- Quick drain and easily inspectable recovery tank
- Non-marking wheels
- Roto-molded polyethylene tanks, shock and acid resistant
- The lower tank also serves as battery compartment
- Low noise operation thanks to the protected positioning of vacuum motor.
